

BUILDING YOUR DREAM

At Desire Homes we pride ourselves in building your dream home built to stand the test of time.

Desire Homes specialise in Full Turn Key Packages and Custom Contract Homes throughout South East Queensland. We are a family owned and operated business with over 20 years experience in the building industry. This knowledge is utilised in every home we build from the layout of the home to the supervision and completion of each part of the build.

Whether you are ready to purchase or build your new home now or are just in the initial planning process, we have time for you. Our flexibility and the ability to contact us after hours, assures you that we stand by our product and a level of service second to none.

Full Turn Key Packages

The list of inclusions in our Full Turn Key Packages has absolutely everything you would need to move in and live comfortably. We have

all the necessities covered and every one of our homes come with well- known established brand name appliances and fixtures. All of these products are supported by manufacturers warranties for your further peace of mind. You will be amazed by the standards we have set for the building of our homes and the extensive list of inclusions we offer as “standard” in every home we build.

Custom Contract Homes

If you have your own block of land, we can work with you to build from custom plans designed with your requirements in mind or you can select from one of our many designs and build one of our homes to suit your specific needs and lifestyle. As with our Full Turn Key Packages, we offer quality appliances and fixtures, brand name products you know and trust. Your dream home can come to life with a Custom Contract Home from Desire Homes.

Our detailed finishes are evident from the moment you walk into one of our homes. We take great satisfaction in knowing we only handover a home that we would live in ourselves. That's what sets us apart from the rest, our dedication to offer a home built with professionalism, attention to detail, extensive industry knowledge and to a top-quality standard. You know you have invested wisely when we show you through one of our completed homes. We will build your home as if it was our own.

Plans Available

Desire Homes have plans available to suit all different size block frontages. Every area has been designed to be highly functional and spacious. Our plans are well thought out to maximise space and provide optimal living areas in every home we build.

Front Facades and Colour Selections

The front façade designs and colour schemes of our homes have been carefully selected to meet today's current trends and provide street appeal now and in the future. All of our homes front façade and colour schemes will satisfy the most discerning of home owners.

Our Custom Contract builds also have access to all colour schemes used in our Full Turn Key Package homes or you can choose your own colours from our extensive range available. We also offer a colour consultation free of charge with all our custom builds.

Warranty

Desire Homes offer a 7- year Structural Warranty to back our homes. Our warranty is clear, concise and can be easily understood. A copy of our warranty is available to you at any time and is also included in our Handover Folder for your reference.

Desire Homes Support for Local Businesses

Desire Homes pride themselves in giving back to the local community by purchasing many of our products and engaging trades in the local area. Being a business based solely in South East Queensland, we are able to deal locally and are proud to have established many long- term relationships with local businesses.
